

OUTBOUND HOUNDS

Dog WALKING / SITTING SERVICES

Cheryl Meyer (center), owner/operator of **Outbound Hounds** Pet Care Service, wishes to acknowledge her thanks and gratitude for the positive response she and her dog-walking/pet/house-sitting business has received, since the launch of her 2nd location of **Outbound Hounds** here in Sooke, May 2006. Meyer bids farewell to her clients and associates in the area, as she passes the business into the capable hands of new owners, Don and Jaime Whittaker of Sooke, the proud 'parents' of 5 furry kids themselves; 3 busy dogs and 2 curious cats.

"It's been a wonderful and positive experience working with both my human and animal friends here. We've been so warmly received, it will be tough to say goodbye. However, I am delighted to be selling to such a lovely couple. They are so excited and enthusiastic to be taking over the business. I know all of my clients will be well taken care of".

Don and Jaime officially assume ownership of **Outbound Hounds** Sooke, Jan. 31. Licensed, bonded and insured, certified in Pet 1st Aid and members of Sooke Harbour Chamber of Commerce, the Whittakers will follow in the tradition of professionalism and dedication to their clients, established since the origin of Meyers' first location of **Outbound Hounds** in Qualicum Beach, 2004.

In making the transition as simple as possible, all contact info will remain the same, with the exception of email/website addresses.
